"It's hard to think of a wine that Byrne's don't stock. But the breadth and depth of the range is what makes this place so special.

If ever there was a wine shop created by wine lovers for wine lovers, this is it."

[TIM ATKINS - THE OBSERVER]

WE have teamed up with one of the UK's leading wine merchants to bring you this perfectly balanced selection of excellent wines which we are sure offers something for everyone.

Established in 1879 D.Byrne & Co. is a Clitheroe based business operated by fourth generation members of the original family. The world famous shop and cellars attract visitors from all over the globe. Such is the quality and depth of the range, which totals nearly 6,000 different wines and spirits, that the Byrne family have been voted the leading Small UK Independent Wine Merchant on four separate occasions.

This new partnership marks the bringing together of two of Lancashire's greatest institutions.
